## Thesis Statements

### Activity 12 (Establishing a Thesis Statement)

1.

*TB a)* After-school, art and athletic clubs provide healthy outlets for young people.

*OK b)* After-school, art and athletic clubs at Garfield Junior High School have helped reduce the number of thefts, gang wars, and acts of vandalism once common in our community.

One hypothetically encouraging way to diminish the juvenile misdemeanor rate is by implementing after-school undertakings such as art programs, the creation of athletic clubs etc. Current research insinuates that these undertakings can provide nourishing openings for young individuals since they reduce the motivation to commit crime via protracted adult supervision and the progression of human capital.

2.

*TB a)* The education system in the United States needs to be improved.

*OK b)* The education system in my hometown could be improved by eliminating the current school board, hiring more teachers, and holding parents accountable.

Based on our country's antiquity, there is no instance that individuals expressed their concern about the education system like today. The debate regarding ways to enhance the education system has been on the radar for quite some time. Therefore, stakeholders are on the verge of establishing approaches to re-engineer effective paradigms to promote effective programs.

3.

*OK a)* The attacks of 9/11 dramatized the heroism we have come to expect from our police and firefighters.

*TB b)* Americans responded well during the attacks of 9/11.

The utmost witnessed moment of honor in the US, volunteered by several respondents following a terror attack, was within the 9/11 attack. Individuals that observed this happening, including the police and firefighters, quoted that the 9/11 response delivered an array of distinctive reasons for demonstrating heroism and a sense of pride.

4.

*TB a)* College classes can be very challenging.

*OK b)* Completing a college course requires organization, persistence, and patience.

There are diverse issues usually experienced by college students that ultimately upshot to primary difficulties to study, socializing, living, and playing. Starting a college life arguably establishes both apprehension and enthusiasm attributes for diverse reasons, including adjusting to the new environment, attaining academic expectations, meeting new individuals and making new friends.

5.

*TB a)* The history of the Puritan faith is very interesting.

*OK b)* The persecution of the Puritans in England led to their immigration to the New World.

The Puritans belonged to a spiritual reform movement described as Puritanism that evolved within the England Church during the sixteenth century. They had a captivating story regarding the genesis of their faith and believed that their church resembled that of the Roman Catholic Church. However, their persecution led to them migrating to the new world.

### **Activity 15 (Writing a Thesis)**

1. **Thesis:** Almost every animal, particularly domesticated animals, has that sense of belonging that each individual possesses and has some connection to humankind.

- a) Most animal shelters have been abandoned; therefore, they look at potential families with very sad, longing eyes.
- b) Seeing animals in cages can make a visitor feel sympathy for all the animals.
- c) Puppies and kittens are usually very cute and can easily work their way into a person's heart.

2. **Thesis:** Playful acts are always affixed to some threshold prerequisites such as rehearsing then performing that attract individuals.

- a) The actors were very stiff and unbelievable.
- b) The costumes were very poorly designed.
- c) The plot was predictable and boring.

3. **Thesis:** Depression is an ordinary but life-threatening mood defect that is statistically ranked as the leading fatal condition.

- a) First, I tried simply avoiding the snack aisle of the supermarket.
- b) Then I started limiting myself to only five units of any given snack.
- c) Finally, in depression, I began keeping the cellophane bags of snacks in a padlocked cupboard.

4. **Thesis:** Thomas Jefferson was among the greatest American presidents in the United States to have ever brought enlightenment to his subjects.

- a) Thomas Jefferson wrote the Declaration of Independence and helped lead the American Revolution.
